

Department of Chemistry
University of Massachusetts Amherst

**Chem 891G – Graduate Core Course I:
Physical/Organic Chemistry**

Computational Chemistry Worksheet

Due Friday Sept 16, 2011

1. *Team number, Team name (optional) and members:*

2. *Theme to be studied:*

3. *Basic question (very broad):*

4. *Refined question (more specific):*

5. *Molecules to be studied:*

6. *Quantity(ies) to be calculated:*

7. *Quantum chemistry calculations needed:*
